

Chapter 4  
I... Can Play!

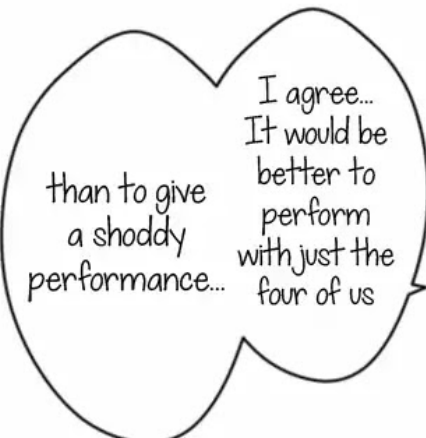

What now?  
...We haven't  
been able  
to find a  
keyboardist  
at all...

It's been  
a week  
since  
then...

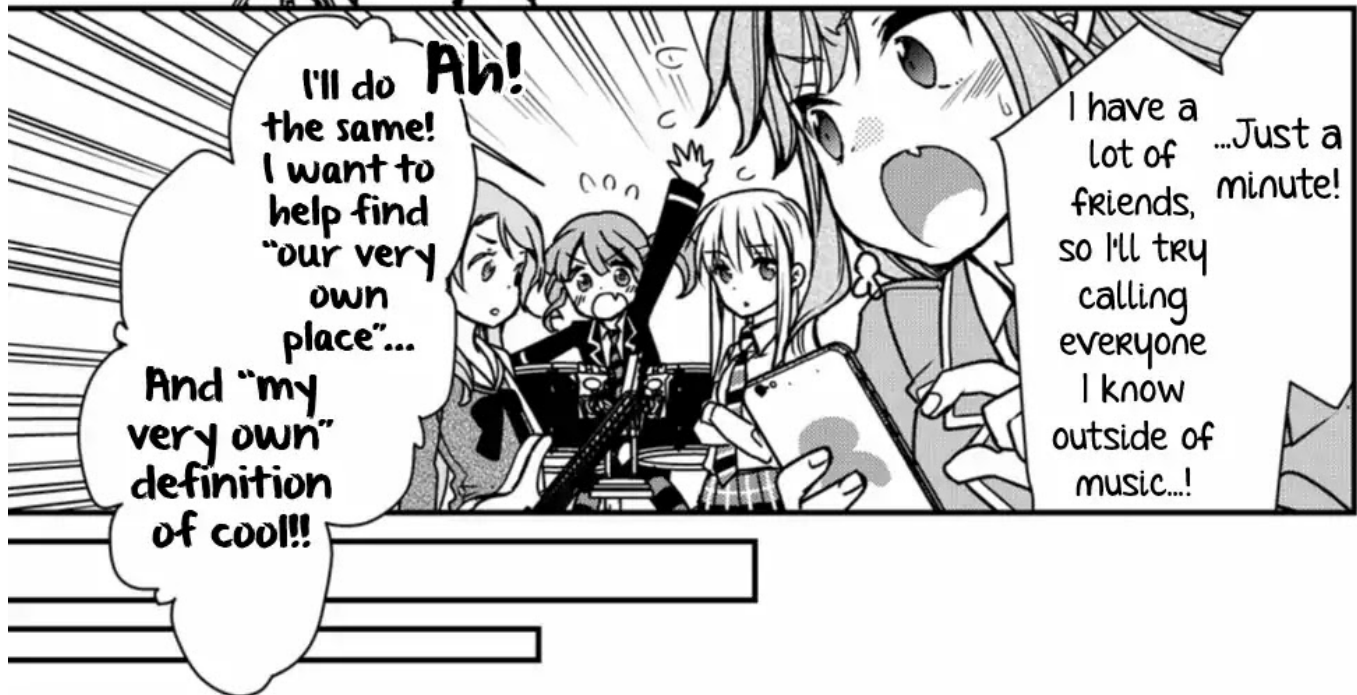

To be  
honest, it's  
a miracle  
the four  
of us  
assembled  
in such a  
short time.  
  
I don't  
want to add  
anyone else  
if it means  
compromising  
on skill,  
though.

I agree...  
It would be  
better to  
perform  
with just the  
four of us  
  
than to give  
a shoddy  
performance...

HMM...

It's  
always  
so fun.....

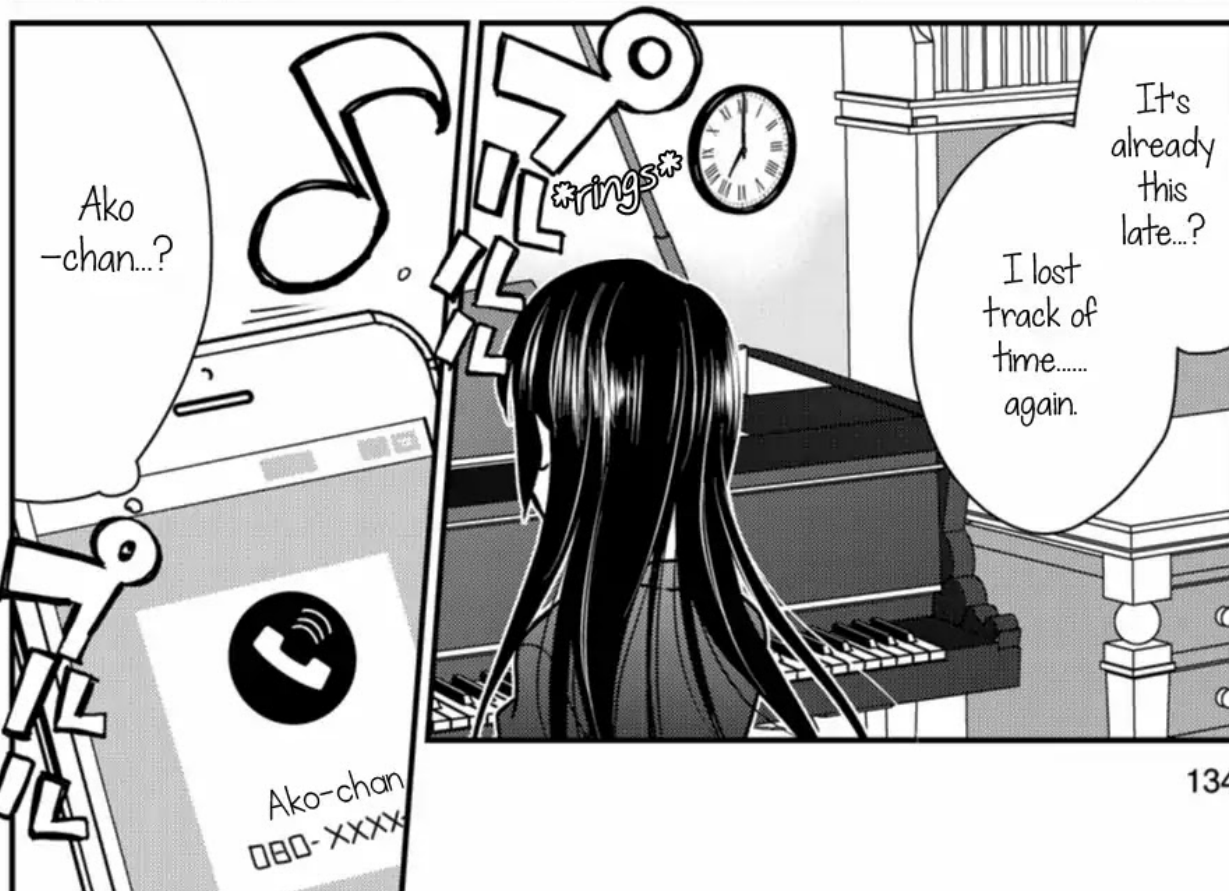

.....No  
matter

how many  
times I play  
with them...

...Ah.

.....Phew...

Ako  
-chan...?

\*rings\*

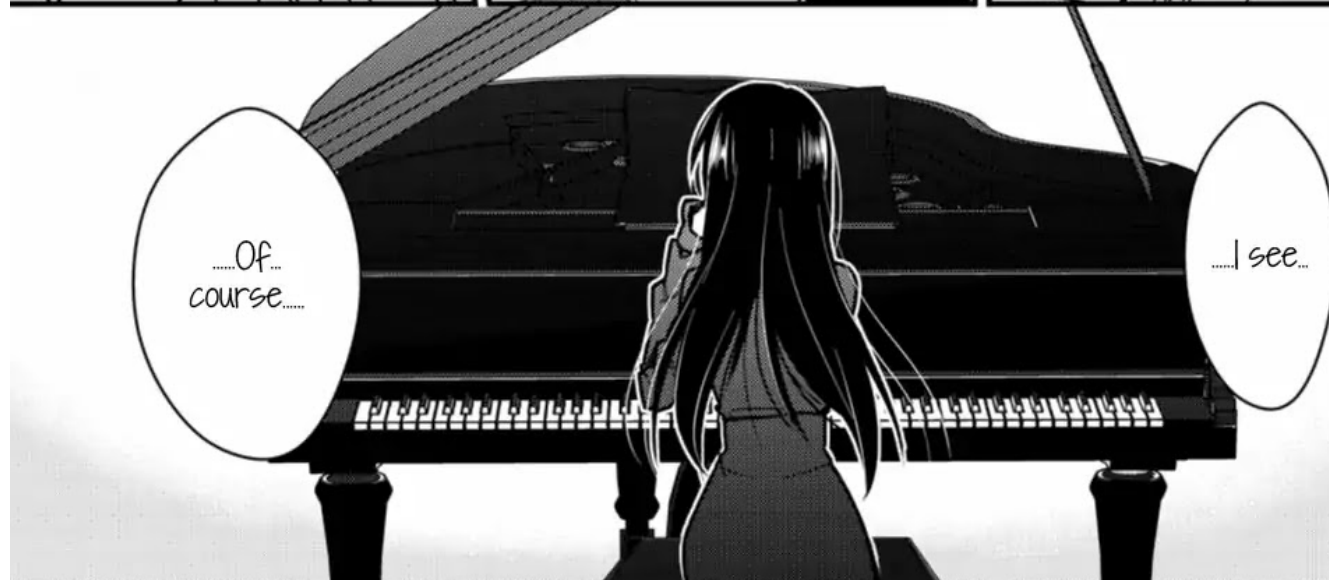

It's  
already  
this  
late...?

I lost  
track of  
time.....  
again.

\*rings\*

Ako-chan  
080-XXXX

...with...  
...the  
video....

I...  
played...  
a lot...  
together...

...umm....

Are you  
good enough  
to pass this  
challenge  
song?

Rinko  
-san.

I want to  
hear about  
your music  
experience.

Does that  
mean it  
was too  
difficult?

I'm asking  
about your  
performance  
level, though...

The  
video?

I just want  
to... play with  
these people...  
that's the  
main reason  
I came.....

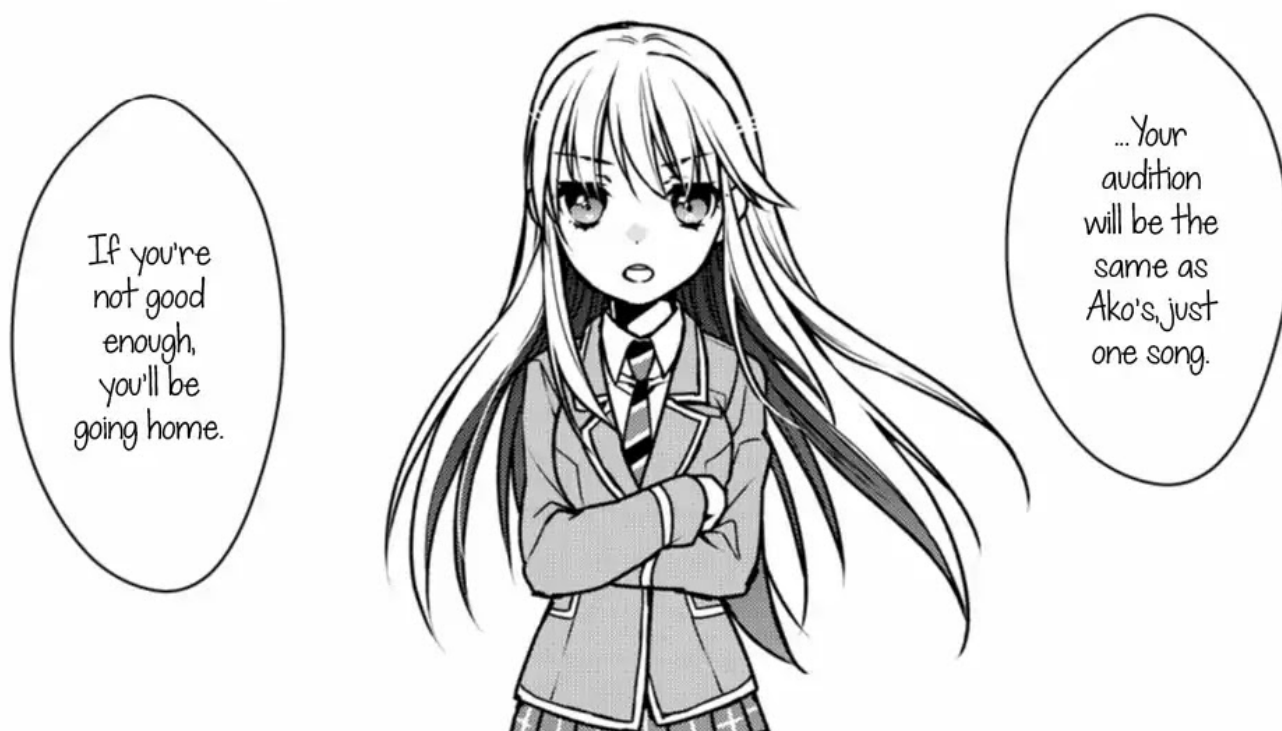

I heard  
you've won  
a prize at a  
famous piano  
competition  
before.

Shirokane  
-san, this  
is our first  
time talking,  
even though  
we're in the  
same class.

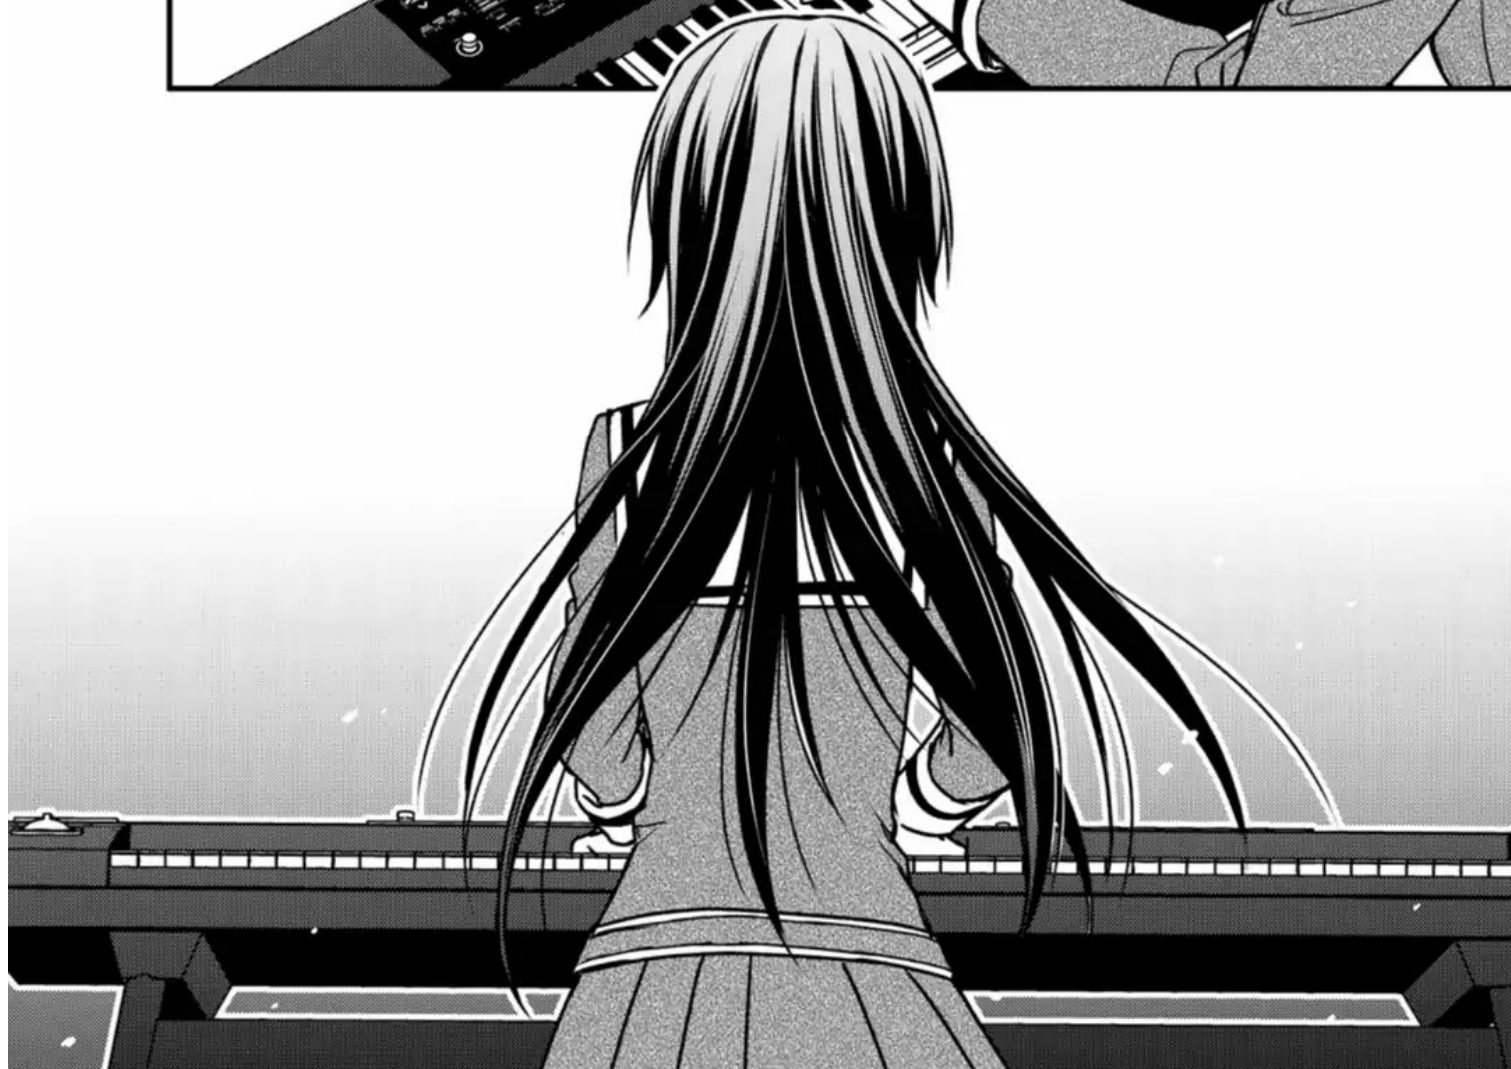

...I...  
just....

...That was...  
when I... was  
younger....

.....!

Amazing...

.....This is  
completely  
different  
from when  
I played with  
the video.....

...Just  
what on  
earth...!  
Is this  
girl?

I'm...  
being  
drawn  
towards  
the  
keyboard...?

Rin-rin...  
really is  
invincible!

No... not  
that... this  
feeling...!

The same  
as when we  
first played  
with the  
four of us...!

This  
feeling...  
...it's the  
same...!

...And...

YUKIND...!

...This is  
so fun.....!!

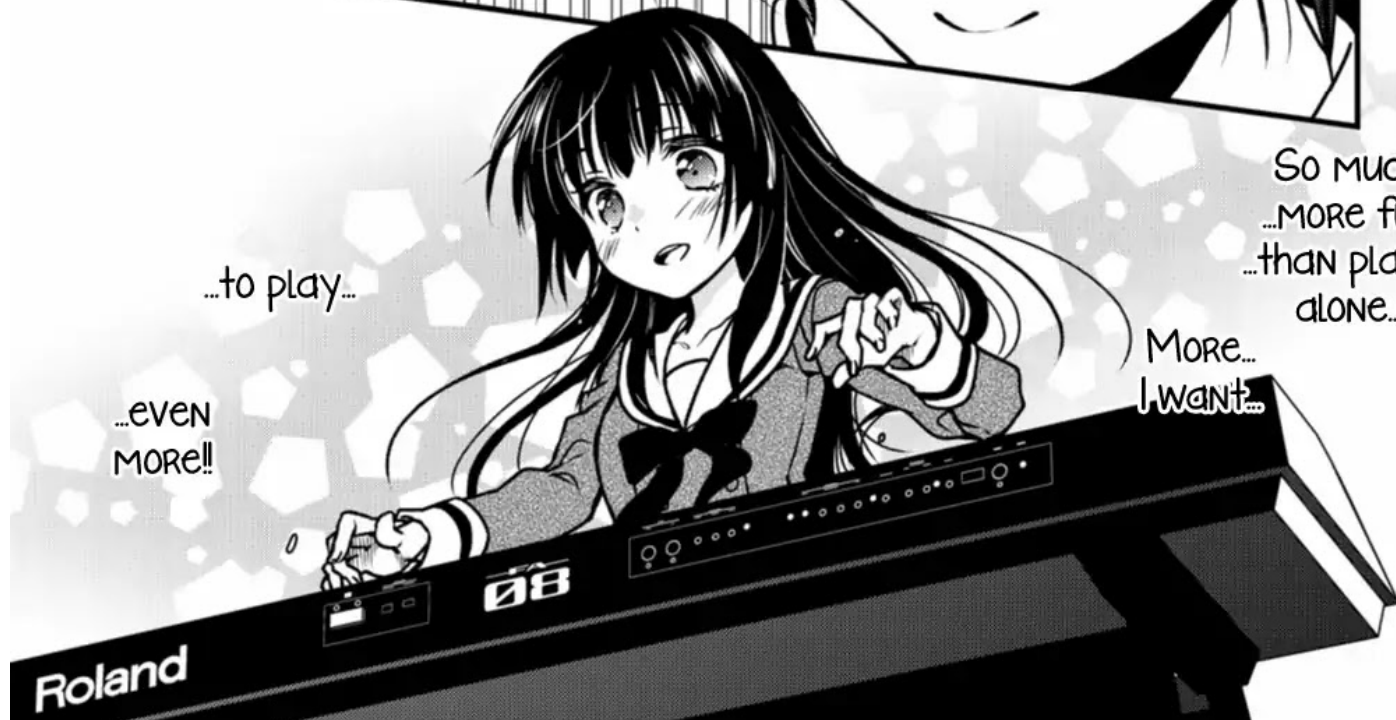

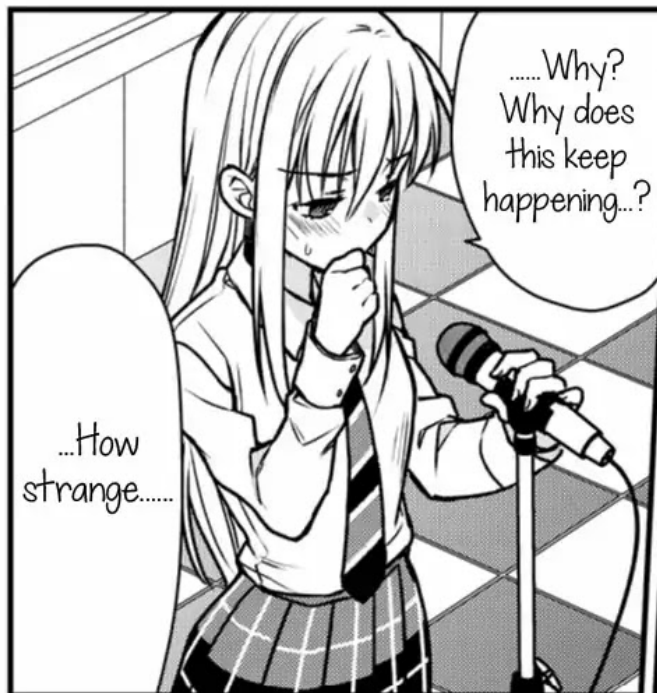

...to play...

...even  
MORE!!

So much...  
...MORE fun...  
...than playing  
alone.....

More...  
I want...

.....Ah.....

I'd love to have you in the band.

No...  
There was nothing wrong with it.

You have both the skill and expressiveness we're looking for.

Thank...  
...you.....

You were able to play it perfectly in such a short time!

I knew you were amazing!  
You're the best!!

**You...**

**You did it!!**

We will be performing live with the five of us.

Yay☆

L...  
Live...?

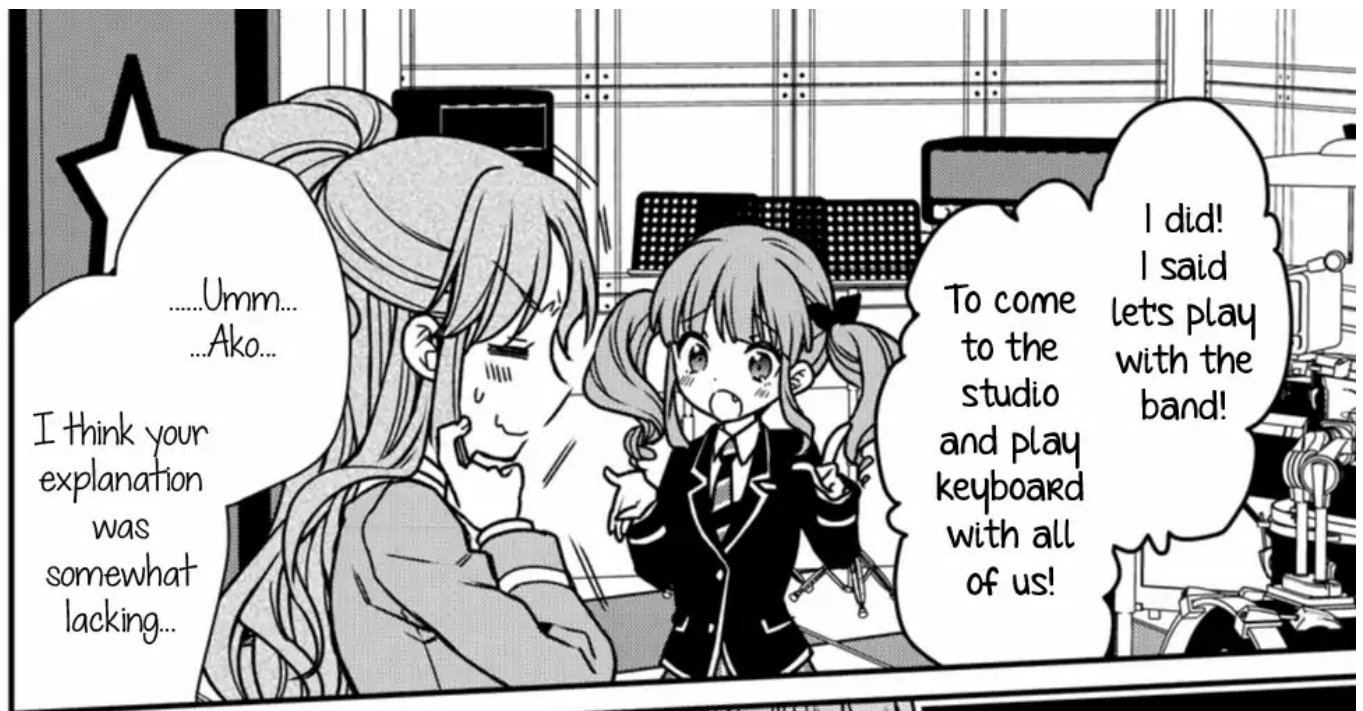

Ako, did you explain properly?

.....Wait, what's wrong? You're panicking...  
You aren't looking so good.

Rinko-chan... or maybe just... Rinko!  
Looking forward to working with you♪

\*panics\*  
Uh-oh...

....!

Yu-Yukina-sa-...

No matter how skilled you are, I'm not wasting time on you if you're not willing to perform live.  
We'll look for another keyboardist.

.....I... WANT...!

.....TO PLAY!

!?

Th-... That's the first time... I've heard Rin-Rin...

speak so loudly...

I-I'LL  
DO MY  
BEST...

...SO...  
...PLEASE!!

I WANT...

...TO PLAY...  
...WITH  
EVERYONE...  
HERE...!

Rinko.

.....I see.

Show us  
those feelings  
when we  
perform live.
